**AMENDMENT UNDER 37 C.F.R. § 1.111**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the outstanding Office Action mailed September 20, 2002, please consider the amendments and remarks below. Applicants submit herewith: (a) Petition for Extension of Time; (b) Wood, 1999, *NE J. Med.* 341:1447-57 attached hereto as Exhibit 1; (c) Chapter 20 of The Handbook of Fluorescent Probes and Research Chemicals published by Molecular Probes attached hereto as Exhibit 2; (d) pages 454-461 of the Physicians' Desk Reference 55<sup>th</sup> edition 2001, attached hereto as Exhibit 3 (e) a marked-up version of the amended paragraphs as Appendix A; (f) a marked-up version of the claims amended herein as Appendix B; and (g) a copy of the claims as pending in the present application after entry of the present amendment as Appendix C.

**IN THE SPECIFICATION**

Please amend the specification to read as follows:

On page 7, please replace the second paragraph with the following:

The Applicants have shown that HBx activation of Src kinases stimulates viral DNA replication, and HBx activates Src kinases by stimulating two related upstream tyrosine

(b)
